## How to prepare your T-shirts before mailing

Please send clean shirts. Stained shirts are OK-they add character!

### Mosaic Quilts:

We try to use every design on your shirt (front logos, back, and sleeves). If there are any designs you do **NOT** want in your quilt please **X** it out with blue painter's tape or a marker.

If there is a shirt you want in the center, top, bottom, etc. -please pin a note to the shirt.

### Traditional Quilts:

If you would like your shirts in a certain order please lay them out and send a picture, draw a diagram on your order sheet, or pin notes to the shirts. We lay the shirts out by color when we design your quilt.

If you want to combine front and back into one block please pin a note to the shirt.

### Proof:

We send you a proof to approve before we quilt your quilt. We ask you only make one change. Taking your quilt apart can cause fabrics to stretch.

### Special Instructions:

If you have called or emailed with specific requests please add them to the comment section. We get lots of calls and emails and we don't want to overlook your requests!

**Thank you for the opportunity to design your T Shirt quilt!**
